Are you interested in writing and debating about European issues with other students? The EUROPRA Ideas Club is a great opportunity for you! The Ideas Club is a facilitated debate. This first session will focus on the topic of **Inclusion and Cultural Diversity**.

There will be up to two participants from each of the Eutopia Alliance members [namely: Universitat Pompeu Fabra (Barcelona, Spain), Universitatea Babeș-Bolyai (Cluj-Napoca, Romania), Vrije Universiteit Brussels (Bruxelles, Belgium), CY Cergy Université Paris (Paris, France), Technische Universität Dresden (Dresden, Germany), Göteborgs universitet (Gothenburg, Sweden), Universidade NOVA de Lisboa (Lisbon, Portugal), Univerza v Ljubljani (Ljubljana, Slovenia), The University of Warwick (Coventry, United Kingdom), and Ca’ Foscari University of Venice (Venice, Italy)]. This activity is part of the EUROPRA MORE project, co-funded by the European Commission’s “European Universities Initiative”. This first Ideas Club session is on site in Paris, France on **October 12, 2023**. The event will be hosted by CY Cergy Paris Université and is co-organised by EUSTT (Eutopia Student Think Tank). On October 13, 2023 also at CY Cergy, there will be a separate event, the BeEUTOPIAn conference. The selected Ideas Club participants are supported to attend this conference, too.

To qualify, applicants must be regularly enrolled as an undergraduate or master’s-level student at the University of Gothenburg, both at the time of application and when the Ideas Club takes place. Students can come from any subject area and do not have to have any prior knowledge or experience in the topic.

To attend the event(s) on October 12, 2023 (and 13th, if possible), the University of Gothenburg will provide a fixed amount of 275€ for roundtrip travel Gothenburg <> Paris plus a per diem of 79€ per day for up to four days; the number of days will vary based on your actual participation and travel plans. There is some additional financing if you travel green (bus or train), are a student with a dependent child/children, and/or require special needs support.

To apply, complete the **University of Gothenburg EUROPRA Ideas Club application form**. Clearly motivate your participation in the “Ideas Club”. You will write the motivation in English; it will describe your interest in participating, what you expect to gain from the experience, and why you should be selected. By submitting an application, you are also committing to writing a structured 1-3 page pre-session paper due on September 29, 2023; further instructions will be sent to selected candidates.

Deadline for applications is **September 14, 2023 (by 23:59)**. Applications received after the deadline will not be considered. Applications will be evaluated based on the content and quality of the motivational letter. Qualified participants who are available for both days (October 12 and 13, 2023) may be prioritized. Decisions cannot be appealed. We expect to notify selected candidates by September 20, 2023.

Applications will be rejected outright if:

- Motivation text is missing or incomplete;
- you are not regularly enrolled, or will not be enrolled at the time of the event.
- at any stage in the application procedure, it is established that the information you have provided has been knowingly falsified or plagiarized.
