

Requirements for the photo to the GU card

You choose a photo yourself when you order the GU card in the GU card portal. For the order to be approved, the photo needs to follow these requirements:

- Only photos in colour are accepted.
- The photo should look like you.
- You must be facing forwards. The entire face and head should be visible.
- Both eyes should be fully visible. You should look into the camera.
- The face should be well lit without sharp shadows.
- The head should be clearly discernible against the background.
- The photo should be clear and in focus.
- You may wear glasses if no reflexes are visible. The glasses may be dark or tinted only if needed for medical reasons.
- You may only wear headgear for religious reasons.
- The photo must be unaltered by computer software or filters.
- The photo may not be larger than 5 MB. Supported file formats are png, jpg and jpeg.
