

# SUMMER SCHOOL HOUSING OPTIONS

## Framgången Olofshöjd

Framgången is our most popular budget alternative. Set in Gothenburg's largest student housing area, living in Olofshöjd will give you a campus atmosphere.

**Room type:** Single room with own bathroom/shower. The kitchen is shared with current students (4-8 tenants) who are already living there, so the standards, cleanliness and organization might vary depending on the habits and preferences of the current occupants.

**Package price:** 5000 SEK/ period. Rent includes: heating, water, internet, electricity. The room is furnished. NB: Internet is wire bound.

**Address and info:** [Olofshöjd information](#) [Google maps](#)

*Suitable for those on a tight budget looking to have their own room but with the possibility to cook together with others.*

## Språkskrapan

Språkskrapan is the University's newest housing for students and researchers. It is centrally located in the city, close to the University area Humanisten and only a short distance away you can find some of the city's major cultural institutions.

**Room type:** Large apartment with shared living concept; a single room in an apartment shared between 5-6 people.

**Package price:** 7000 SEK/ period. Rent includes: heating, water, internet (wifi), electricity. The apartment is furnished.
